Westside Salmon Announcement 2 **Emergency Order 3**

This is the Alaska Department of Fish and Game in Dillingham with an announcement regarding commercial fishing in the Nushagak District. This is Westside Salmon Announcement number 2 issued Friday, June 5 at 9:00 a.m.

Commercial fishing with set gillnets in the Igushik Section of the Nushagak District is extended from 4:00 p.m. Friday, June 5 until 4:00 p.m. Wednesday, June 10.

The regulations adopted by the Board of Fisheries at the January meeting have not yet completed the required legal review and public notice process. Requirements for the mandatory retention of king salmon caught in the Nushagak District and the further requirement that those fish be sold or donated and not be retained for personal use will not be in effect to start the season. All king salmon retained for personal use must be recorded on a fish ticket.

Commercial fishermen are reminded that **District Registration Cards** must be filled out and filed with the department before they begin drift gillnet fishing anywhere in Bristol Bay or set gillnet fishing in the Nushagak District. District registration cards may be obtained at the Anchorage, King Salmon or Dillingham offices or downloaded from the internet. Cards may be returned by mail, email or in person.

Commercial fishing in the Togiak District reopens Monday, June 8 and follows the regular weekly schedules in regulation.
