Westside Salmon Announcement 11 **Emergency Order: None**

This is the Alaska Department of Fish and Game in Dillingham with an update regarding commercial fishing in the Togiak District. This is Westside Salmon Announcement number 11 issued Saturday, June 27 at 12:00 noon.

Commercial fishing opens in all sections of the Togiak District as per the regular weekly schedule at 9:00 a.m. Monday, June 29. All sections will remain open for the regular weekly schedules. The department will reevaluate the amount of effort in the Togiak District next week and determine if reduced fishing time is required for king conservation.

The regulations passed by the Board of Fisheries in January will not be in effect until July 12. Until that time, we still need to follow the regular weekly schedule in Kulukak.
