A commercial salmon fishing permit holder may not subsistence fish for salmon during the 12 hours before a commercial salmon fishing period or during the 12 hours following the closure of a commercial salmon fishing period.

Permit holders are reminded that all closed waters are as listed in regulation 5 AAC 15.350.

Statistical charts, harvest strategies, and subsistence fishing permits are available at the Chignik weir and the Kodiak regional ADF&G offices. Commercial fishing regulations, commercial harvest, escapement, and news releases can be found on the ADF&G website.

Fishers are encouraged to monitor VHF Channel 6 at 9:15 a.m. and 5:15 p.m. daily for fishery updates.
