SOUTHEAST ALASKA COMMERCIAL GEODUCK FISHERY ANNOUNCEMENT

There will be no geoduck fishery for the week of November 8 through November 14, 2026.

On Friday, November 6, the Southeast Regional Dive Fisheries Association voted to not collect geoduck paralytic shellfish poison samples this week. Therefore, no areas will be available for a live geoduck fishery this week. Information regarding the next possible live geoduck fishery, on November 18, 2026, will be announced before that date.
