JUSTIFICATION:

The seasonal goat points available in the South Tracy area this year were 9 points (billy = 1 point; nanny = 2 points). As of Wednesday, November 27, 2024, all of the available points have been harvested in this area. The area will be closed by E.O. taking effect at 11:59 pm, Thursday, November 28, 2024. The last aerial survey of this area was conducted on October 27, 2023. At that time there were 155 goats (133 adults, and 22 kids) were observed. Due to the vulnerability of goats in this area and to help preserve this area for future goat hunting opportunities, this hunt will be closed at this time.
