JUSTIFICATION:

The seasonal goat points available in the South Tracy area this year were 9 points (billy = 1 point; nanny = 2 points). As of Friday, November 14, 2025, seven billies and one nanny have been harvested for a total of nine points. Because the guideline harvest level has been met, the area will be closed by E.O. taking effect at 11:59 pm, Saturday, November 15, 2025. In order to help preserve this area for future goat hunting opportunities, this hunt will be closed at this time.
