Unit 1C RM049 Gustavus Moose Hunt Closed

(Douglas) – Prior to the season ADF&G set a harvest quota for the Gustavus area registration moose hunt, RM049, of 13 bulls for harvest in this hunt. This quota was met on the evening of September 30, 2025. We are instituting an Emergency Order closing the season at 11:59 pm October 1, 2025, because this year's quota has been filled.

An Emergency Order (R1-11-25) was issued that closes RM049 moose season in this area on Wednesday, October 1, 2025 @ 11:59 pm.

The remaining registration moose regulations in Unit 1C are not affected by this Emergency Order.
