Advisory Announcement

For Immediate Release: March 7, 2025

Permit Available for GMU 14C Dall Sheep Hunt

(Anchorage) – Dall Sheep draw hunt DS240 was undersubscribed during the 2025-2026 drawing process. Regulations approved by the Board of Game allow ADF&G to issue undersubscribed permits at the discretion of hunt managers. There is one permit available for the hunt, the hunt is limited to nonresident hunters guided by an Alaska-licensed guide and a guide-client contract is required at the time of application. The permit is available on a first-come, first-served basis.

Undersubscribed Hunt Applications are available in-person at ADF&G offices, or via the ADF&G website at the following link, <http://www.adfg.alaska.gov/index.cfm?adfg=huntlicense.undersubscribed>. To receive a permit, applicants must sign, and submit a completed **Undersubscribed Hunt Application** by email to dfg.dwc.infocenter@alaska.gov. The application must include the Alaska-licensed guides unique verification code (UVC).

Specific information for these hunts can be found in the *2025-2026 Alaska Drawing Permit Hunt Supplement* available at ADF&G offices. Hunters can also go directly to the following link to access the supplement, <https://www.adfg.alaska.gov/index.cfm?adfg=huntlicense.drawsupplements>. Hunters with questions about the application process for these hunts can call the Anchorage ADF&G office at (907) 267-2257.
