Kenai Peninsula Registration Goat Hunts Open November 1: Permits Available October 21

(Homer) – Mountain goat population numbers on the Kenai Peninsula and low harvest during the drawing hunts earlier this fall have led to a late-season registration hunt opportunity in Unit 7. Permits will be available beginning Wednesday, October 21 at 9:00 A.M. online at http://hunt.alaska.gov, or in person at department offices in Anchorage, Homer, Palmer, and Soldotna.

The following hunt is scheduled to open November 1- November 14:

• RG346, Resurrection Peninsula (limited to 20 permits)

Late-season harvest opportunities are based on success rates during the drawing hunt season. Goat harvest objective points are calculated using one point for a billy and two points for a nanny. Hunters are reminded that the bag limit is one goat and hunters are encouraged to select a billy. Hunters who harvest a nanny are prohibited from hunting goats in Units 7 and 15 for five regulatory years. The taking of nannies accompanied by a kid is prohibited. Hunters may only hold one goat permit at a time in Units 7 and 15. Seasons will close November 14, 2026, at 11:59 P.M., unless closed earlier by Emergency Order (EO) if harvest objectives are reached. Harvest objectives for the late registration season are seven goat points for the Resurrection Peninsula.
