

State restricted areas:

1 Dalton Highway Corridor Management Area: (DHCMA) Units 20, and 24-26, see pg. 104 for more information.

2 Eastern Brooks Range Management Area: those portions of Unit 25(A) bounded on the east by the East Fork Chandalar River beginning at the confluence of Red Sheep Creek and proceeding southwesterly downstream to the confluence with Crow Nest Creek, continuing up Crow Nest Creek, through Portage Lake, to its confluence with the Junjik River, then down the Junjik River past Timber Lake and a larger tributary to a major, unnamed tributary northwesterly, for approximately 6 miles where the stream forks into two roughly equal drainages, the boundary follows the easternmost fork proceeding almost due north to the headwaters and intersects the Continental Divide; the boundary then follows the Continental Divide easterly, through Carter Pass, then easterly and northeasterly approximately 62 miles along the divide to the headwaters of the most northerly tributary of Red Sheep Creek, then follows southerly along the divide designating the eastern extreme of the Red Sheep Creek drainage, and then to the confluence of Red Sheep Creek and the East Fork Chandalar River.

Unit may include National Park Service lands and federal regulations may also apply. See page 8.
