BETWEEN  
ALASKA DEPARTMENT OF FISH & GAME  
AND**

**Insert School Name**

We will be providing to you location data and photographs from an ADFG research project on wood bison. We will provide daily GPS locations from six wood bison (four female and two male) for the period of June, 2015 to June 2016.

This information is released to, and may be used by, **school name** teachers and student only under the following conditions:

1. The information (location and photo data) will be used for the sole purpose of class projects on wood bison.
2. The information (location and video data) will be available within **insert school name** on a need-to-know basis and may not be taken off premises. However, **school name** teachers may take data off premises if need be for class preparation.
3. The information (location and video data) will not be released outside of **school name**.
4. All persons with access to this information must agree to and abide by the conditions of this document.
5. The information (location and video data) and the final products using the data will not be published or shared publicly by **school name** or its students, except with prior written permission from the Alaska Department of Fish and Game under a separate agreement.
6. Data security measures will be used by **school name** to ensure that Department wildlife location data are not transferred or used for purposes not defined by this project.

Under the above conditions, ADF&G agrees to release the data described above, and **school name** agrees to receive and use it.
