

In addition to the general permit conditions listed on and issued with the 2025 Southeast Alaska Subsistence and Personal Use Salmon Fishing Permit, the following permit conditions apply to the Haines Management area. If you have any questions, please contact the Alaska Department of Fish and Game Haines Office at (907) 766-2830.

**SUBSISTENCE SALMON FISHING GENERAL PERMIT CONDITIONS**

1. The freshwater subsistence fishing area is within the Chilkat River from mile 4 of the Haines Highway to a point 1 mile upstream of Wells Bridge.
2. The saltwater subsistence fishing area includes Chilkat Inlet north of the latitude of Glacier Point and Lutak and Chilkoot Inlets north of the latitude of Battery Point, excluding waters of Taiya Inlet north of the latitude of Taiya Point (see map on page 2 for boundaries).
3. The possession limit for Chinook salmon harvested incidentally in the subsistence fishery is 2 fish; however, due to continued poor Chilkat River Chinook salmon production, the department requests **ALL LIVE CHINOOK SALMON BE RELEASED IMMEDIATELY.**

**Household Harvest Limits**

Salmon species	Possession limit	Annual limit*
Sockeye	25	50
Coho	20	40
