The Cook Inlet Area is an exclusive registration area for Pacific cod during a state-waters season. A vessel validly registered in a Pacific cod exclusive registration area during a state-waters season may not be used to take Pacific cod in any other exclusive or a superexclusive registration area during a state-waters season. Registration may be designated nonexclusive after October 30.

The above registration becomes valid upon the signature of an authorized representative of the Alaska Department of Fish & Game, shall be kept immediately available at all times during fishing operations, and shall be shown upon request to any authorized representative of the Department of Fish & Game or the Department of Public Safety.

Expires: December 31, 2026 or upon registration for another area or closure of fishery.
