

**Agenda**  
**HWI Science Panel Meeting**  
**ADF&G Headquarters, Commissioners Conference Room**  
**December 7, 2018**  
**9:00 AM to 4:00 PM**

**To call in dial 800-315-6338**  
**Access code is 54235**

The goal of this meeting is to review 2018 activities and provide guidance for 2019. Participants in the study will need input on priorities for processing samples from 2018 and sample collection and processing and contracting activities for 2019.

- 1) Introductions
- 2) 2018 Contractor Reports
  - a. PWS Stream Sampling summary – PWSSC
  - b. SEAK Stream Sampling summary –SSSC
  - c. Publication update – PWSSC
- 3) 2018 Lab Reports
  - a. PWS Otolith – ADFG Cordova
  - b. Southeast Otolith - MTAL
  - c. Genetic – GCL
    1. Lab progress
    2. Discussion on how to interpret RRS results
    3. RRS results for Hogan Creek
- 4) Budget Report
  - a. Proforma
  - b. Fund sources
    1. PNP
    2. Processors
    3. Grants
    4. In-kind
  - c. Priorities
- 5) 2019 Planning

- a. SEAK Stream Sampling
- b. Priorities for sample processing
- c. Outreach/presentations
  - 1. March 7, 2019, Anchorage, HWI Public Workshop
  - 2. January 28, 2019, AK Marine Science Symposium, Anchorage (Kyle Shedd)
  - 3. March 19-21, 2019, AK Chapter AFS meeting, Sitka (Peter Westley)
  - 4.
- d. Other 2019 planning
  - 1.
  - 2.

6) Additional Items

- a.
- b.
- c.
