

# RB601 Brown Bear Registration Permit Hunt

**AREA DESCRIPTION:** Units 19A and 19B, that portion downstream of and including the Aniak River drainage; Unit 21D, and Unit 24.

**SUBSISTENCE REGULATIONS WITHIN BROWN/GRIZZLY BEAR SUBSISTENCE AREAS**

One bear per regulatory year.

All edible meat must be salvaged for human consumption.

No tag required but you must register to hunt.

Hide and skull need not be sealed unless removed from subsistence area or presented for commercial tanning; if sealing is required it must be completed by an authorized sealing agent; at the time of sealing the skin of the head and front claws are removed and kept by ADFG.
