

Detailed Drawing(s) - Provide Detailed Drawing(s) of all support facilities, equipment, and gear (See Figure 5). Note that more than one diagram may be required. Label and show the following information:

- Draw and label the dimensions (length/width/height) of all proposed gear and equipment.
- If suspended, indicate water depth at low tide in relation to structures and gear.
- Identify the construction materials used for all support facilities, equipment, and gear proposed.
- Legend box (see below*)

***Be sure to include a legend box on all maps and diagrams you provide with your application with the following information:**
