2019 LOW-INCOME QUALIFICATIONS

To be eligible for a low income license, an Alaskan resident must have an annual family or household income equal to or less than the most recent poverty guidelines for the state set by the United States Department of Health and Human Services for the year preceding application. A.S. 16.05.340 (a)(6)

### 2019 POVERTY GUIDELINES FOR ALASKA

<table>
<thead>
<tr>
<th>PERSONS IN FAMILY OR HOUSEHOLD</th>

Did you know that over half of all ADF&G licenses and tags are sold electronically?

ADF&G is transitioning towards electronic sales. Please consider using eVendor to sell licenses and tags. There are many benefits to using eVendor such as;

**Sell Licenses**
- Sell licenses, permits, and stamps, which will then print out on plain paper.
- Licenses will be emailed to the customer preventing the need for duplicate licenses.
- Previous customer information will auto-populate making the sales process much quicker and easier.

**Reporting**
- There is no need to mail in copies of licenses or sales reports.
- Your sales are tracked and will be invoiced automatically every month.

**Inventory**
- eVendor will keep track of all inventory issued and sold by you.
- You will never run out of licenses and stamps.

**Much More**
- You can request supplies, view your account balance, view electronic sales history, void and fix mistakes on licenses within a 4 hour window, and renew your contract!

2019 Commercial Crewmember Licenses Fee Increase

→ Non-Resident Annual licenses will increase from $277 to $280

→ Non-Resident Annual Child licenses will increase from $222 to $225

**License Reminders**
- Use ONLY blue or black ink on licenses.
- Everyone purchasing a Commercial Crewmember Fishing License must provide a U.S. Social Security Number.
- All customer fields are required to be filled out on licenses.
- Return all unused licenses, tags, and stamps at the end of your selling season.

House Bill 260: Effective July 1st, 2018 individuals can carry a signed electronic copy of their license on their electronic device when sport fishing, hunting, or trapping.
