FISH HABITAT PERMIT

FH26-I-0075-GP

ISSUED: September 16, 2026
EXPIRES: December 31, 2027

General Public:

RE: Stream Crossings – Funter Bay
Section 1; T 42S; R 64E; CRM (Juneau B-3)
Stream Number: 112-63-10080
Location: 58.2587 N, 134.8814 W

Stream Number: 112-63-10070
Location: 58.2592 N, 134.8845 W

Pursuant to AS 16.05.871(b), ADF&G has determined the public interest is served and resources and fish habitats are properly protected through issuance of a General Permit authorizing stream crossings for off-highway vehicles in Funter Bay through the two creeks in Crab Cove where flat rocks are embedded in the intertidal channels.

Project Description
At the locations listed above, where flat rocks have been embedded in the stream to harden the substrate, wheeled or tracked vehicles may be used to cross the two streams in Crab Cove, Funter Bay, as shown on the Authorized Crossing Area Map (enclosed).

Anadromous Fish Act
These streams have been specified as being important for the spawning, rearing, or migration of anadromous fishes pursuant to AS 16.05.871(a).

- Stream No. 112-63-10080 is cataloged for coho and pink salmon.
- Stream No. 112-63-10070 is cataloged for coho and pink salmon.

In accordance with AS 16.05.871(d), public use of the crossings is approved subject to the project description, permit terms, and the following stipulations:

1. OHV operations in streams shall be limited to that necessary for crossing the water body in the most direct manner;
2. OHVs may not be refueled, serviced, or parked below the ordinary high water mark of streams;
3. Equipment leaking fuel, hydraulic fluid, or other pollutants shall not be operated below the ordinary high water mark of streams; and

Permit Terms

This letter constitutes a permit issued under the authority of AS 16.05.871. Please be advised that this determination applies only to Habitat Section regulated activities; other agencies also may have jurisdiction under their respective authorities. This determination does not relieve you of your responsibility to secure other state, federal, or local permits. You are still required to comply with all other applicable laws.

The vehicle owner and operator (permittee), or the legal guardian of minor dependents, is responsible for the actions of contractors, agents, or other persons who participate in the approved activity. Prior to engaging in any activity that significantly deviates from this approval, the responsible party shall notify Habitat Section and obtain written approval in the form of an individual permit. Any action taken by the permittee or agent of the permittee that increases the activity's overall scope or that negates, alters, or minimizes the intent or effectiveness of any stipulation contained in this permit will be deemed a significant deviation from the approved activity. The final determination as to the significance of any deviation and the need for an individual permit is a Habitat Section responsibility. Therefore, it is recommended that Habitat Section be consulted immediately when a deviation from the approved activity is being considered.

In addition to the penalties provided by law, this permit may be terminated or revoked for failure to comply with its provisions or failure to comply with applicable statutes and regulations. You shall mitigate any adverse effect upon fish or wildlife, their habitats, or any restriction or interference with public use that the commissioner determines was a direct result of your failure to comply with this permit or any applicable law.

You shall indemnify, save harmless, and defend the department, its agents, and its employees from any and all claims, actions, or liabilities for injuries or damages sustained by any person or property arising directly or indirectly from permitted activities or your performance under this permit. However, this provision has no effect if, and only if, the sole proximate cause of the injury is the department's negligence.

Please direct questions about this permit to Habitat Biologist Greg Albrecht at (907) 465-6384 or greg.albrecht@alaska.gov.

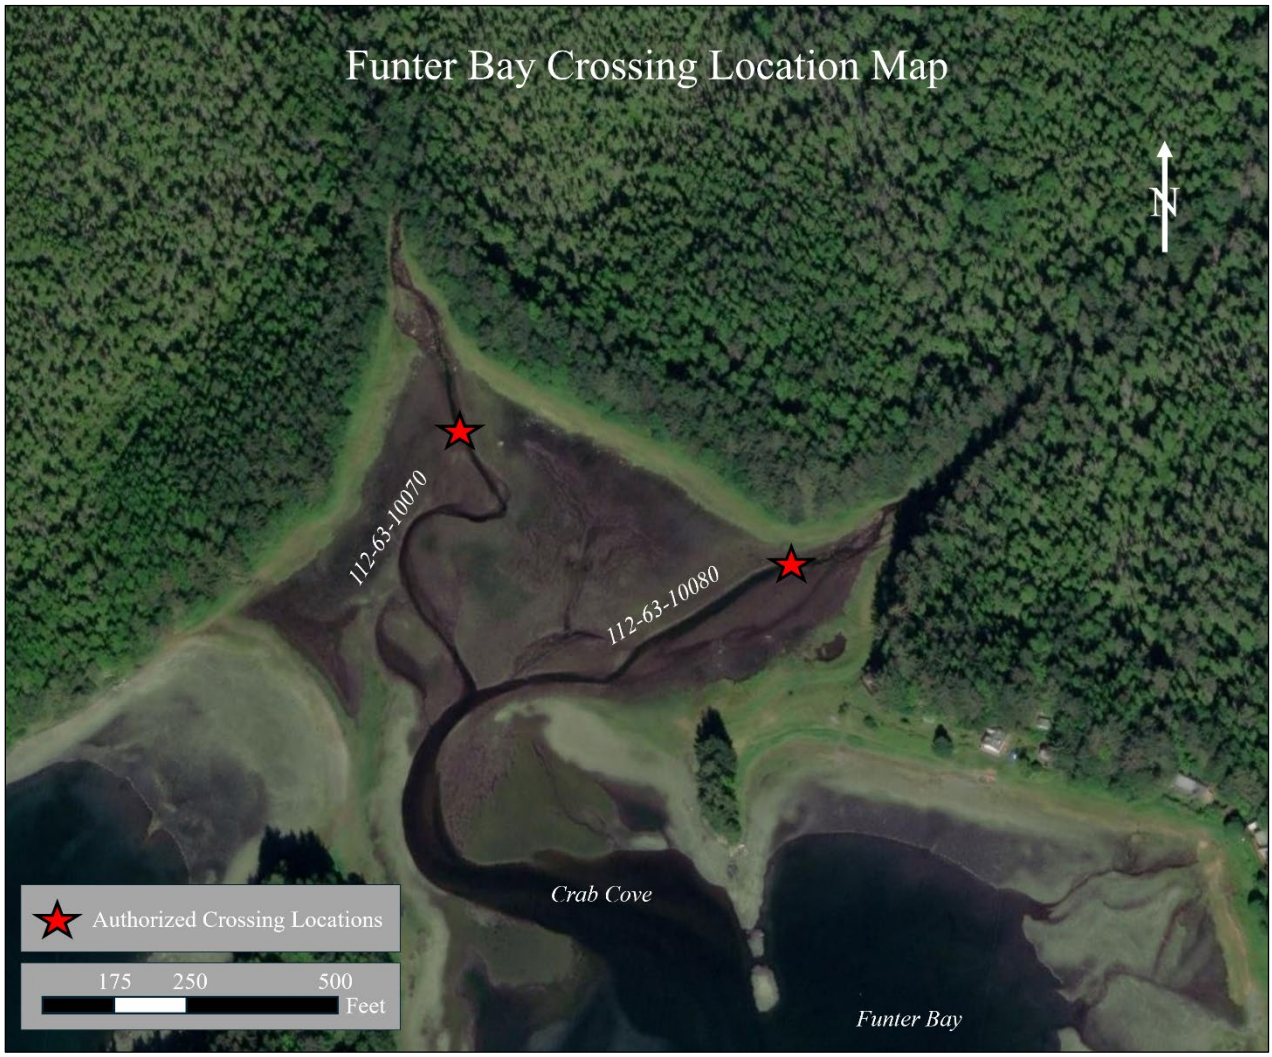

Sincerely,
Doug Vincent-Lang
Commissioner
