Re: *5 AAC 28.577(h)(1): Board of Fisheries - Pacific Cod in the South Alaska
Peninsula Area*
Our file: 2025200568

Dear Lieutenant Governor Dahlstrom:

The Department of Law has reviewed the attached regulations of the Board of Fisheries against the statutory standards of the Administrative Procedure Act. Based upon our review, we find no legal problems. This letter constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to file the attached regulations. The regulations were adopted by the Board of Fisheries after the close of the public comment period.

The regulations concern guideline harvest levels for Pacific cod in the South Alaska Peninsula Area.

The September 24, 2025 public notice and the November 24, 2025 certification order both state that this action is not expected to require an increased appropriation. Therefore, a fiscal note under AS 44.62.195 is not required.

We have made some technical corrections to conform the regulations in accordance with AS 44.62.060. The corrections are incorporated into the attached copy of the regulations.

To: Hon. Nancy Dahlstrom, Lieutenant Governor
