

**PROPOSAL 26 - 5 AAC 28.263. Prince William Sound Pollock Pelagic Trawl Management Plan.** Establish a lower trip limit in Prince William Sound walleye pollock pelagic trawl fishery and disallow tendering during the fishery, as follows:

Make Prince William Sound pollock trawl trip limits of 200,000 pounds with no tendering allowed. Boats would have to deliver their own fish to the processor.

**What is the issue you would like the board to address and why?** Prince William Sound pollock trawl catch limits. Smaller catch limits would slow the fishery down allowing the Alaska Department of Fish and Game to more effectively manage the fishery and its bycatch.

**PROPOSED BY:** Bill Fejes for Polar Seafoods (EF-C14-113)
