RE: Amendments to Proposal 198

Proposal 198 currently reads: Limit sport fishing gear on the Sandy River to unbaited; single-hook artificial lures or artificial flies and prohibit the retention of king salmon.

Amendment to 198: Limit sport fishing gear on the Sandy River to unbaited; single-hook artificial lures or artificial flies and ~~prohibit the retention of king salmon~~ change the daily bag and possession limit of king salmon of any size, to one fish, with a two fish annual limit of any size.

Current Regulations: Bag and possession limit of king salmon 20 inches or greater in length, is two fish, with a five fish annual limit; less than 20 inches in length, 10 fish; no annual limit.
