

Proposed by: Robert Heyano

Regarding Proposal: 18

In reference to Proposal 18, I propose to the BOF that they amend the current proposal.

Background: The current proposal asks the BOF to repeal 5AAC 01.310(d). This would repeal the language that limits subsistence fishery to three days per week on the Dillingham beaches between July 2 and July 17 thus allowing it to be fished for 24 hours a day 7 days a week.

Proposed Amendment: Give the direction to the Department to announce each of the (3) 24-hour weekly periods using the daily tide information to maximize the fishing opportunity of each period.

5 AAC 01.310(d), the Dillingham beaches area is defined as all waters of the Nushagak District *upstream of a line from a point approximately two miles south of Bradford Point at lat 58°58.63'N, long 158°33.62'W to Nushagak Point at lat 58°56.79'N, long 158°29.53'W, to a point at Red Bluff on the west shore of the Wood River at lat 59°09.58'N, long 158°32.36' W, and to Lewis Point on the north shore on the Nushagak River at lat 58°59.46'N, long 158°05.57'W. In this area, from July 2 through July 17, salmon may be taken in 3 periods of not more than for 24 consecutive hours starting (1) Monday (2) Wednesday; and (3) Saturday. Fishing period start times will be announced prior to July 2 by the department to maximize the fishing opportunity of each of the 24-hour periods.*
