

PROPOSAL 229

5 AAC 59.122. Special provisions for the seasons, bag, possession, annual, and size limits, and methods and means for the Anchorage Bowl Drainages Area.

Extend the hours of the Ship Creek youth fishery, as follows:

(14) in the Ship Creek drainage,

(J) a person 16 years of age or older may not sport fish in the Ship Creek youth fishery zone, established in Ship Creek between the upstream side of the C Street Bridge upstream to the downstream side of the restaurant bridge, during the designated youth fishery day, which occurs from 6:00 a.m. to **10:00**[6:00] p.m. on the third Saturday in June.

What is the issue you would like the board to address and why? Allocating of additional hours

(4) would ensure youth anglers are capable of maximizing the youth fishery and will allow them to possibly be more successful due to the tidal changes.
