

**PROPOSAL 102**

**5 AAC 33.376. District 13: Deep Inlet Terminal Harvest Area Salmon Management Plan.**

Change the ratio of drift gillnet to purse seine openings from 2:1 to 1:2 in the Deep Inlet Terminal Harvest Area, as follows:

(1) (B) [EXCEPT AS SPECIFIED IN (C) AND (D) OF THIS PARAGRAPH,] the time ratio for gillnet to seine openings is **one** [TWO] to **two** [ONE]

**What is the issue you would like the board to address and why?** Section (1) (B), (C), and (D) of the regulation pertain to specific fishing years that will sunset. The proposed changes are necessary to address the Enhanced Salmon Allocation Plan 5 AAC 33.364.
