Substitute language for proposal 27:

5 AAC 01.610(g) is amended to read:

(g) Salmon may be taken in the districts described in 5 AAC 01.605(b), only from May 15 through October 31, during fishing periods as follows:

(1) from May 15 until two days before the **first** commercial opening of that salmon district, seven days per week;

(2) during the commercial salmon season, only during open commercial salmon fishing periods in that district and Saturdays from 6:00 a.m. to 10:00 p.m.;

(3) from two days following the closure of the commercial salmon fishing season in that district through October 31, seven days a week.

(4) notwithstanding (g)(2) of this section, subsistence salmon fishing is not allowed 24 hours before open commercial salmon fishing periods in that district[.]

(5) Notwithstanding other provisions of this subsection, salmon may be taken for subsistence purposes in the Eshamy and Southwestern Districts at any time from May 15 through October 31, except in hatchery special harvest areas when the hatchery special harvest area is closed to common property fishing to facilitate achievement of hatchery escapement needs as defined in 5 AAC 40.990(6).
