PROPOSAL 267

5 AAC 32.425. Lawful gear for Registration Area J.

Establish South Peninsula District Dungeness crab pot limits, as follows:

Pot limit on Dungeness crab fishery in the South Peninsula District of Area J of no more than 500 pots per vessel.

What is the issue you would like the board to address and why? Dungeness crab in the South Peninsula District of Area J could be over harvested. Considered limit entry for Dungeness crab fishery, some fishermen do not like it.
