

**RE: Proposal 245**

Submitted by Gordon Scott, Brett Wilbanks

The Following Spreadsheet and Charts are submitted to demonstrate repeated over-harvest of the GHL in the non commercial shrimp fishery,

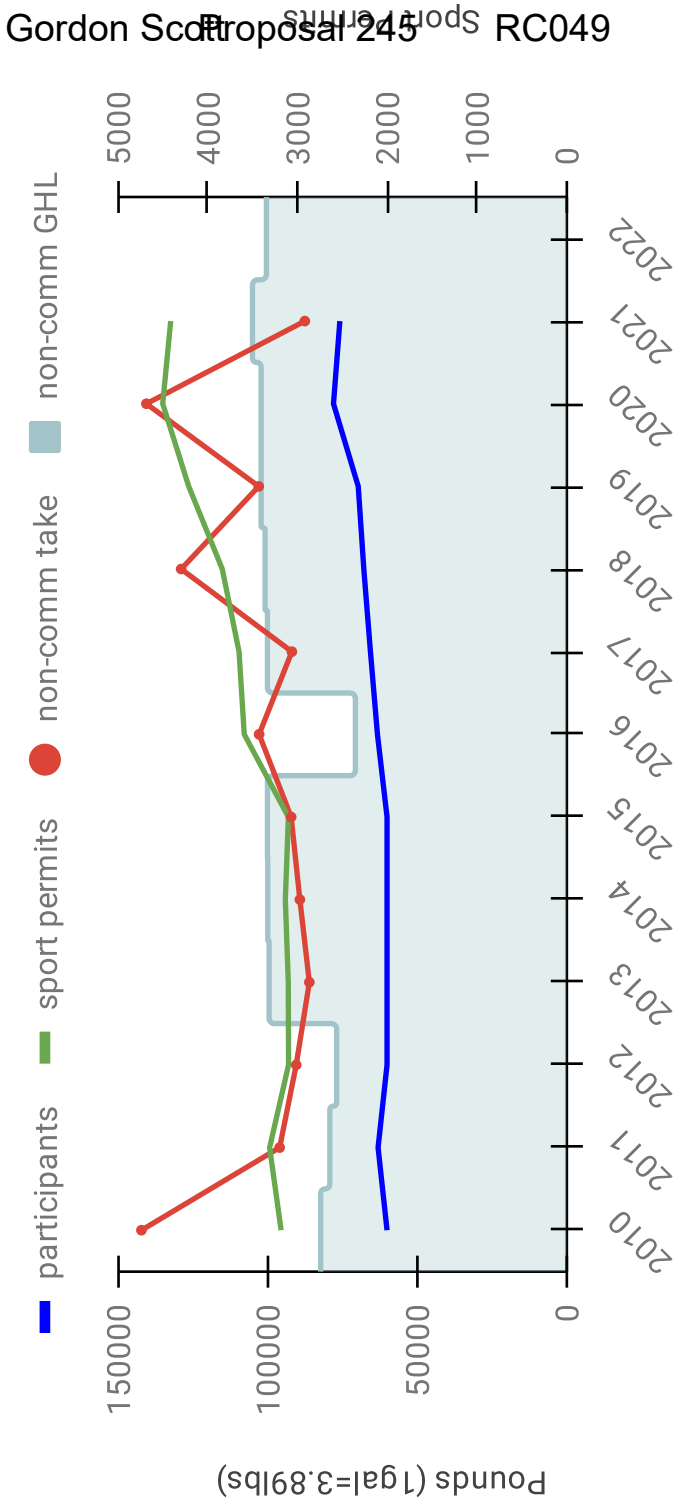

These are compiled from the data provided by ADFG over the years.

There is a lot of information about both the Commercial and the non-commercial fisheries included.

# PWS Non-commercial Shrimp Harvest

ADFG published data from fisheries reports

Year \*corrected to 3.89lbs/gal for 2010-2012
