

**Submitted by Board Member Marit Carlson-Van Dort, prepared by the Alaska Department of Fish and Game.**

November 29, 2022

**5 AAC 39.010. Retention of fish taken in a commercial fishery.** (a) A person engaged in commercial fishing may retain fish from lawfully taken commercial catch for that person's own use, including for the use as bait in a commercial fishery. Fish retained under this section may not be sold or bartered.

**5 AAC 39.130. Reports required of fishermen, processors, buyers, exporters, and operators of certain commercial fishing vessels; transporting requirements**

(c) An individual, company, firm, or other organization described in (a) of this section shall record each delivery on an ADF&G fish ticket. A fish ticket must be completed for all fish or byproducts of fish harvested in the waters of Alaska and for all fish or byproducts of fish harvested in waters outside of the waters of Alaska and offloaded or processed in the waters of Alaska..... At the time of delivery or partial delivery, or as otherwise directed by the department, fish tickets must include the following information:

...

(12) the number or pounds of fish by species retained by a commercial fisherman for that person's own use, if applicable;
