5 AAC 15.357. Chignik Area Salmon Management Plan

Amend the *Chignik Area Salmon Management Plan* to restrict commercial fishing periods in Chignik Lagoon until the escapement goal has been met, as follows:

Close Chignik Lagoon area **section statistical area 271-10** to commercial salmon fishing until ~~the escapement has been met~~ **100,000 salmon have escaped to help protect the early run.**

What is the issue you would like the board to address and why? Commercial salmon fishing in the Chignik Lagoon Area while there are not enough salmon getting upriver.
