RECORD COPY: PROPOSAL 13, Alternate Language

**This RC is submitted to provide alternate language in proposal 13, after consulting with ADFG and the author of the proposal.**

Change language in proposal 13 to read:

“Allow 100% bycatch retention of long nose and ~~big skate~~ during the PWS state water longline directed Pacific cod and halibut fisheries until 25% of the Eastern gulf Federal TAC has been reached for skate (...).”
