

**Proposal 196 Black Bear - Region IV**

**Eliminate black bear sealing requirement  
where harvest tickets or permits are required**

**Amend and Adopt  
for GMUs in Region IV**

**Amendment:**

- Retain Sealing in GMU 16
- Take No Action in Unit 17

**Proposal 195 Black Bear - Region IV**

**Modify salvage requirements for black bear**

**Amend and Adopt  
for GMUs in Region IV**

**Amendment:**

- Jan 1 – May 31 (Skull AND Hide)
- June 1 – Dec 31 (Skull AND Hide or Meat)
- Retain hide salvage and sealing requirement in Unit 16

**Proposal 199 Meat Spoilage - Region IV**

**Implement various hunt conditions and change hunter education to reduce meat spoilage**

**Take No Action  
for GMUs in Region IV**

- Hunter Education Program
- Meat Care Videos
- Information Materials available at all area offices
- Wanton Waste Law (5AAC 92.220 and 16.30.010)

**Proposal 192 Trapping - Region IV**

**Restrict trapping near trails**

**Do Not Adopt  
for GMUs in Region IV**

- Region-wide restriction not necessary
- Best applied if specific issue is identified
- Trials are not well defined
- Difficult to enforce a "buffer"

**Proposal 200 Same Day - Region IV****Prohibit harvest of big game the same day  
after being transported****No Recommendation  
for GMUs in Region IV**

- 5AAC 92.085 (8) – “A person who has been airborne may not take or assist in taking big game unit after 3 am the following day in which the flying has occurred”
- Adds boat, 4-wheelers, snow machine and highway vehicles
- Eliminates “Day Trips”
- Live-a-board vessels?

**Proposal 201 Same Day - Region IV****Prohibit harvest of big game until after 3 am  
after being commercially transported****No Recommendation  
for GMUs in Region IV**

- 5AAC 92.085 (8) – “A person who has been airborne may not take or assist in taking big game unit after 3 am the following day in which the flying has occurred”
- Adds boat, 4-wheelers, snow machine and highway vehicles
- Eliminates “Day Trips”
- Live-a-board vessels?
