Proposal 202 comments correction:

The Fairbanks AC proposed an amendment to proposal 202 that changed the season for cow and calf caribou to be closed April 1st through October 1st. This amendment was brought forth because we felt that cows and calves should be protected from harvest a month prior to parturition up to the time of weaning calves. The amendment was carried unanimously with an 11-0 vote and the proposal as amended was carried with an 11-0 vote.
