Comments to Alaska Board of Game 2016 Statewide Meeting

Prop 23 I support anything that would repeal the poorly written and Board of Game generated proposal 207 (any and all options)

Prop 24 I support the same as Prop 23

Prop 25 I support the same as Prop 23

Prop 26 I support the same as Prop 23

Prop 27 I oppose. It is hard to judge age in the field and this makes it even tougher

Prop 28 I oppose. Why restrict residents. And how many NR would this really affect? Not many come back year after year for a Ram

Prop 37 I support. More resident opportunity And less crowding

Prop 46 I oppose. Season does not need to be longer. We need less weapon specific hunts

Prop 69 I oppose. Upland and waterfowl hunting would increase wounding loss exponentially

Prop 99 I oppose. Let the free market run. A person winning a tag can choose who he wants to hunt with after he draws.

Pop 102 I support. The NR next of kin are capped at 8 out of the resident pool for Kodiak Brown Bear. That is 8 too many. I should not have to change my residency to have a good chance at drawing a Kodiak BB permit.

Sincerely,  
Birch Yuknis
