Proposal Index of Comments

This index of on-time advisory committee and public comments shows either SUPPORT or OPPOSITION for the individual proposals at this meeting. The center column indicates a comment was made but without a clear indication of support or opposition. The reference number (ACxx or PCxx) refers to the Advisory Committee comment number or Public Comment number. The full comment as submitted can be found in Record Copy (RC) 2 for advisory committee comments and RC3 for public comments. The notation of "w/Am" indicates support as amended. *Please Note: On-time Comments that did not state a proposal number or spoke to general issues in their comments may not be included.*
