Alaska Board of Game  
Anchorage, AK

Dear Board of Game,

I am writing this comment in support of PROPOSAL 62 - 5 AAC 92.029.  
Permit for possessing live game. This proposal will allow the release  
of sterilized, feral cats into the wild.

Good Morning

I am writing in suport of Proposal 62 - 5 AAC 92.029  
As we all know, and many have brought up the fact that animal waste can  
carry disease, and yes cats kill birds, but we also know that spaying  
and neutering will stop the breeding of these cats, that "nobody  
wants". That's the whole point of TNR. We are not  
"releasing" them out into the wild. We are simply returning  
them to there homes.

Thank you for your consideration
