

PROPOSAL 107

5 AAC 92.080. Unlawful methods of taking game; exceptions.

Prohibit shooting from a boat while hunting in the Ugak Bay area in Unit 8 as follows:

From a line drawn between Gull and Pasagshak Point eastward up the bay, shooting from a boat, moving or not, for other than waterfowl, is prohibited.

What is the issue you would like the board to address and why? Shooting from a boat in Ugak Bay. This is dangerous because there are many cabins and homes on the beaches of the bay. These cabins are occupied during deer season and the danger is obvious.
