Unit 20A
Wood River
Controlled Use Area

AREA DESCRIPTION: Unit 20A, the area consists of that portion of Unit 20A bounded on the north by the south side of the Rex Trail beginning at its intersection with the Totallanka River, then eastward along the Rex Trail to Gold King airstrip, then from Gold King airstrip along the trail's extension along the north side of Japan Hills to the Wood River; bounded on the east by the east bank of the Wood River, including the Wood River drainage upstream from and including the Snow Mountain Gulch Creek drainage; bounded on the south by the divide separating the Yanet River drainage from the drainage of Healy Creek, Moody Creek, Montana Creek, and the Wood River; and bounded on the west by the east bank of the Kenai River from the divide separating the drainage of the Yanet River and Montana Creek north to Healy Creek, then eastward along the south bank of Healy Creek to the north fork of Healy Creek, then along the north fork of Healy Creek to its headwaters, then along a straight line to the headwaters of Dexter Creek, then along the east bank of Dexter Creek, to the Totallanka River, and then down the east bank of the Totallanka River to the Rex Trail.

The area is closed to the use of any motorized vehicle, except aircraft, for big game hunting, including the transportation of big game hunters, their hunting gear, or parts of big game, from August 1 through September 30; however, this provision does not prohibit motorized access via, or transportation of game on, the Parks Highway, or the transportation into the area of game meat that has been rendered fit for human consumption.
