

**Findings for the Alaska Board of Game**

**2020-XXX-BOG**

**Board Recommendation to the Department of Fish and Game  
provided to address the allocation of animals to ceremonial harvest  
in Unit 20B  
during the Interior and Eastern Arctic Region Regulations Meeting  
March 14, 2020**

The Board of Game finds as follows, based on information provided by Department staff, Alaska residents and other wildlife users:

The Board recommended the department take the following actions, if there is a harvestable surplus and harvest will not significantly impact sustained yield of the moose population:

The priority for the antlerless moose quota in Unit 20B is for ceremonial harvest under 5 AAC 92.019. The intent of the board is to provide both ceremonial and subsistence harvest in Unit 20B. If the cow quota is reached, the area will be closed to the take of cow moose for ceremonial harvest.
