

Amended language for Proposal 169
Submitted by ADF&G/DWC
January 18, 2020

5 AAC 92.012 is amended by adding a new section to read:

(f) in any hunt where a nontransferable locking tag is required under AS 16.05.340 the hunter cannot attempt to take game without previously purchasing the tag. The big game tag record must also be completed prior to the attempt to take game and be in the hunter's actual possession in the field while hunting, pursuing, or attempting to take game.

5 AAC 92.990(a) is amended by adding a new section to read:

(89) "Previously purchasing" means fully paid for and in possession of the hunter before hunting, pursuing, or attempting to take game. "Take" has the meaning found in AS 16.05.940(35).
