

PROPOSAL 133

5 AAC 92.095. Unlawful methods of taking furbearers; exceptions.

Add bow and arrow as a legal method for taking beaver as follows:

Statewide:

You may not take a beaver with any means other than steel trap or snare except: **bow and arrow**

What is the issue you would like the board to address and why? A bow and arrow can be an effective and efficient method of taking beaver during periods of the beaver trapping season when water is not frozen. It is already legal in much of the state. I see no reason to prohibit it when in most units of the state (exception is Unit 26 no open season) the bag limit is "No Limit."
