

PROPOSAL 169

5 AAC 92.XXX. New regulation.

Prohibit the harvest of white animals as follows:

No white animals should be harvested for any reason as it violates Native American religion.

What is the issue you would like the board to address and why? No white animals should be harvested as it violates Native American religions. A white bison was born in our state along with white moose, ravens, and a killer whale in the last few years which is prophecy according to Native American religions which indicates the times we live in and spiritual responsibility. Killing them for any reason violates this spiritual belief that there could be negative natural effects to earth and mankind for doing so. We now have many “lower 48” natives who hold this spiritual belief that are now residents of Alaska. If this proposal is not enacted profiteers could make multiple thousands of dollars for the hide while insulting and committing spiritual blasphemy to Native American religions. It could have a worse effect than we know.
