

**PROPOSAL 116**

**5 AAC 92.003. Hunter education and orientation requirements.**

Remove the crossbow certification requirement for people born before January 1, 1986 as follows:

Amend 5 AAC 92.003(l) to include the “born before or on January 1, 1986 exception to the use of crossbows”. That educational requirement exception is already available to “users of longbows, recurve bows, or compound bow for hunting big game under 5 AAC 92.003(k).

**What is the issue you would like the board to address and why?** Equality in hunting methods educational requirements.
