Average Annual 19C Sheep Nonresident Contribution	
Hunting License	\$ 160.00
Harvest Tag	\$ 850.00
Total	\$ 1,010.00
91 x \$1010=	\$ 91,910.00
With P/R Match	\$ 367,640.00

Total Contributions Resident and Nonresident	\$ 385,640.00
Resident %	5%
Nonresident %	95%

Note: For calculation purposes I have selected the annual hunting license fee for resident and nonresident, and for the nonresident I did not include any alien fees, so these figures underreport the actual nonresident contribution. I did not include the hunt seasons of 2020 or 2021 due to Covid likely skewing the harvest participation numbers.
