On-Time Comment Matrix

RC40

This index of on-time advisory committee and public comments shows either SUPPORT or OPPOSITION for the individual proposals at this meeting. The center column indicates a comment was made but without a clear indication of support or opposition. The reference number (ACxx or PCxx) refers to the advisory committee comment number or public comment number. The full comment as submitted can be found in Record Copy (RC) 2 & 3. The notation of "w/Am" indicates support as amended. Please Note: On-time comments that did not state a proposal number, community of residence, or spoke to general issues in their comments are not included. Comments previously submitted for the Central/Southwest meeting are listed in italics.
