

**PROPOSAL 123**

**5 AAC 85.045. Hunting seasons and bag limits for moose.**

Establish an archery only, fall moose hunt in Unit 15C as follows:

Early moose season bow and arrow only: August 10 - 29.

**What is the issue you would like the board to address and why?** Hopefully granting Unit 15C an early bow and arrow only moose season just like Units 15A and B, from 8/10 - 8/29.
