

PROPOSAL 137

5 AAC 85.020. Hunting seasons and bag limits for brown bear.

Extend the brown bear registration hunt (RB300) in Unit 7 to June 15 as follows:

Extend RB300 to June 15th.

What is the issue you would like the board to address and why? Brown bear season ends May 31st for RB300. I am looking to extend it to June 15th. It seems the brown bears in this Unit rut later for higher elevations and I believe extending the season would assist hunters in success. This would also increase opportunity for Alaskan residents
