

PROPOSAL 27

5 AAC 92.550. Areas closed to trapping.

Require 100-yard trapping setbacks along hiking trails and drivable surfaces on Wrangell Island in Unit 3 as follows:

I recommend that a 100-yard no-trapping buffer be implemented around all established hiking trails and drivable surfaces on Wrangell Island.

What is the issue you would like the board to address and why? Trapping along highly trafficked roads on Wrangell Island has led to many user conflicts. Implementing a road setback would resolve these conflicts with minimal disturbance to trappers.
