

I support the following proposal(s) that have been submitted by the Cooper Landing Safe Trails Committee to the Alaska Board of Game to reduce conflicts with trappers and increase safety among the rising number of multi-use groups in Game Unit 7 (the Cooper Landing area). I believe the proposed are reasonable setbacks to maintain safe recreation for trail users and their pets.

There are multiple proposals for trap setbacks or trap signage in the Cooper Landing area.

Please select the proposals that you are in support of (select all that apply).
