

PROPOSAL 47

5 AAC 85.045. Hunting seasons and bag limits for moose.

Open a late season archery only hunt for any bull moose in Units 13E and 13B, along the Denali Highway as follows:

Create a late season ANY BULL moose drawing permit for ARCHERY ONLY along the Denali highway in Units 13E and 13B.

I would propose the hunt area to be a 5-mile-wide corridor extending on either side of the Denali highway with a season of September 25th to September 30th.

What is the issue you would like the board to address and why? Alaska needs more archery specific hunting opportunities for moose. Unit 13 has some of the best access of any Unit in the state.

A late season archery only hunt for any bull moose along the Denali Highway would not increase harvest drastically but would offer a great opportunity to hunt moose in an uncrowded environment with easy access.

Did you develop your proposal in coordination with others, or with your local fish and game advisory committee? No.
