Subject: Opposition to RC009 – Protect Alaska's Bears

Dear Members of the Alaska Board of Game,

I strongly oppose RC009, as it threatens Alaska's bear populations through inhumane and unnecessary killing. Bears are vital to our ecosystems and should be protected, not exploited. Increased hunting and baiting disrupt the natural balance and undermine conservation efforts.

I am deeply passionate about wildlife, especially bears, who have taught me valuable lessons about how to coexist with nature. Every year, I am honored to visit Alaska and observe these magnificent animals in one of the world's most beautiful wildlife habitats.

I believe that my voice, along with others who care, can make a difference in opposing RC009. I will not stop speaking out until all forms of animal cruelty come to an end.

Thank you for your time and consideration.

Sincerely,

Yuki Iwase
